

## Choice Making Software

There is a variety of software programs that aim to develop your child's choice making skills. Below are details of *some* of the software packages on the market that are available for purchase. Please see supplier websites for a more comprehensive list.

<b>Software Name</b>	<b>Description</b>
Animals Galore	Develop counting, listening and matching skills through the use of animal pictures and sounds.
Choose and Tell Series	A 'choose your own adventure' style activity series. Choose from Nursery rhymes, Fairy tales or Legends.
Chooselt! Maker 2	Create individualised activities to assist the child in developing their choice making and concept knowledge.
Clicker 5	A customisable program to assist children in choice making, with the potential to use for curriculum access
Jumble Fun	A simple choice making program with the potential to grow as your skills develop.
Switch It! Face Maker	Make silly faces but changing photos of your friends and family. Choose from a variety of facial features and animations
Switch It! Jigsaw Maker	Turn favourite photos, pictures or drawings into an accessible jigsaw. Choose the number of pieces to your jigsaw and how hard the activity is.
