

Early Learning Software

There is a variety of software programs that aim to support your child's early learning and the development of their pre-literacy and pre-numeracy skills. Below are details of *some* of the software packages available for purchase. Please see supplier websites for a more comprehensive list.

Software Name	Description
1-2-3 Paint	Colour in pictures of numbers and objects using a mouse, touchscreen or switch
Alphabet Paint	Colour in alphabet pictures using a mouse, touchscreen or switch. Plays sounds and letter names as you colour in
Animals Galore	Develop counting, listening and matching skills through the use of animal pictures and sounds
Chooselt! Maker 2	A customisable program where you can target your child's literacy, numeracy or concept knowledge
Clicker 5	A customisable program where you can target your child's literacy, numeracy or concept knowledge
Early Learning 1	A range of simple activities for learning about colours, shapes, numbers, and letters
Eureka Software Series	A range of activities targeting early literacy, numeracy, phonics and computer use
Mega Mix	A range of activities for mouse or two switch practice including uncovering pictures, matching, counting and painting
First Keys 2	Develop letter recognition, letter sound matching and early typing skills
Spider and Friends	A range of activities using: numbers 1 - 5, shapes, dice and a range of animals
Spider in the Kitchen	Three different activities involving language, positions and sequencing, and a switch training activity
Teddy Games	A range of activities involving matching, sorting and completing pictures
